

COMBINED ACCESS – THE CREDIT BUILDING COMPANY

Here Are Three Reasons You Should Hire Us....

Removal of Negative and Derogatory Items!

- Bankruptcies (except open Chapter 13's and inquiries)
- Foreclosures
- Repossessions
- Judgments
- Charge-offs / Collections
- Child Support

- Late Payments

Permanent Deletion!

Once negative items are removed from your credit reports they stay off forever. Unlike our competitors who only use the dispute letter process and if by chance they get lucky and get something removed then 9 chances out of 10 it will go back on your credit report within 30 to 90 days.

Payout of \$10,000!

If for any reason your credit cannot be restored as promised you'll receive \$10,000 made payable to you. No fine print or strings attached. Compare that to all other credit repair companies and law firm guarantees.
